Lexington, Ky., September 15.—The second day of the fall race meeting at Kentucky Association track here to-day was marred by a heavy downpour of rain that started shortly previous to the third race and continued during the afternoon. The fourth race, the feature event on the card, was won by Ben Prior, who paid better than 15 to 2 in the mutuels. He was forced over the entire route, however, by County Tax and Camel. Mack B. Eubanks, heavily played, won the fifth race from a fair field. Summaries:

Dr. Bagby Closes With Centie Mack for Two Exhibition Games at Broad Street Park

in Cctober.

Connie Mack's champion Athletics and Jimmy McAleer's All-Stars of the American League agreed yesterday to play two games in Richmond at the Broad Street Park, the first one on October 11, and the second on the day following. Speaking in the language conned from the appendix in the dictionary, it is a decided coup d'etat for Dr. George F. Bagby, who has been conducting the negotiations. The two deads aggregation of players in the world, and it required a handsome guarantee and a good deal of fine diplomacy to bring them to Richmond when other large cities in the East were clamoring for the games.

The following telegram was received yesterday:

Philadelphia, Pa., Sept. 15.

Madison Square Garden, New York, September 15.—Jim Flynn, the Pueblo fireman, fought a winning battle of ten terrific rounds with Carl Morris, the gigantic heavyweight of Oklaboma, at the Madison Square Garden to-night. At the end the Oklahoma man's face was battered to a pulp, while Flynn was unmarked except for a lump over the left eye.

As a possible "white hope" for championship class recognition. Morris is a fallure. He had nearly fifty pounds in weight and five inches in height, as advantages over the Pueblo man, but failed to daze Flynn at any stage. Morris really had only one round, the third, and in all the others Flynn was the master in ring work. All through the fight Morris kept using his great weight and strength to weaken Flynn, but the latter invariably had the better of all the closs work. His left hooks and jabs soon set the blood flying and at all times he was willing to take punishment in order to send back worse than he got.

Stage by Flynn.

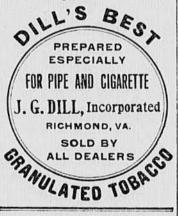

Morris landed many hard lefts and rights in every round, but Flynn seemded to be impervious to the grilling he got. It was the bloodest fight ever seen in this city, and many of the spectators around the ringside were around the ringside were arounds the stage protection around the half-score of rounds.

There was no denying the verdict of the onlookers as to who had won, for Flynn was cheered veroclously as he for the Wentern glant.
